

Airport Complete By September As Work Is Resumed

With resumption of work Tuesday of the Truckee-Tahoe Airport, the timetable now calls for the new facility to be opened officially during September.

Jack Houlgate, president of the airport commission, reported C. J. Woods of Yuba City, contractor on the first phase of the project, arrived with equipment and resumed work where he left off last fall and which has been held up until now because of the construction workers' strike.

Woods expects to complete most of his contract in about two weeks at which time A. Teichert & Sons, contractors on Phase II will begin widening and lengthening the runway to 6,000 by 100 feet and doing other additional work. The two contractors will coordinate the work so that Teichert can begin his portion prior to Woods concluding Phase I.

In the meantime, the Truckee-Donner Chamber of Commerce and the Lake Tahoe-Sierra Chamber of Commerce are cooperating in arranging for fitting dedication ceremonies for the new airport some time in September, Fred Schultz, manager of the latter organization declared.

The dedication will not conflict with the program dedicating the new Emigrant Trail Museum scheduled for September 8 and 9 but will probably be held soon thereafter if present schedules are maintained, Houlgate said.

The board of directors will hold a special meeting Tuesday to consider proposals for fix base operation of the airport. More than 50 copies of the district's statement of policy, maintenance contract and invitation for proposals have gone out to firms and individuals.

Some of these requests have come from Nebraska, Colorado, Arizona, Utah and Texas as well as California.

The board has contracted with Leigh Fisher and Associates to study the anticipated air traffic and to advise the district of financial and administrative policy as well as sound management, operation and lease agreements.

School Blacktop Project Awarded

A Teichert & Son Tuesday night submitted the low bid of \$3,860 for blacktopping playgrounds and adjacent areas at the four elementary schools in the Tahoe-Truckee Unified School District. Work will be completed before the start of school. Teichert's bid was \$4,000 less than the next lowest.

The governing board is still studying future plans for construction and took no action of a proposed bond election to finance building needs.

EIGHT BABIES BORN IN LOCAL HOSPITAL

Eight babies arrived at the Tahoe Forest Hospital during the past week.

Edward Andres Barton Acevedo, six pounds, 2 1/2 ounces was born June 30 at 1:20 a. m. to Mr. and Mrs. Hector S. Acevedo of Squaw Valley.

Dennis William Silva, seven pounds, 12 ounces, was born at 5:58 p. m., July 3, to Mr. and Mrs. Robert William Silva of Truckee.

Michael Shawn Tanner, seven pounds, eight ounces, was born July 4 at 4:30 p. m. to Mr. and Mrs. Thomas S. Tanner, Sr., of Tahoe City.

Seth Gordon Hawthorne, five pounds, 13 ounces, was born July 4 at 9:36 p. m. to Mr. and Mrs. Vernon M. Hawthorne of Truckee.

Michael Raymond Utterback, seven pounds, nine ounces, was born July 6, at 5:08 p. m. to Mr. and Mrs. Raymond C. Utterback of Truckee.

Lisa Beth Sproehle, seven pounds, three ounces, was born at 7:21 a. m., July 7, to Mr. and Mrs. John Albert Sproehle of Tahoe City.

Kevin Chris Moustiris, eight pounds, 15 1/2 ounces, was born at 3:38 a. m. July 8 to Mr. and Mrs. Robert Moustiris of Tahoe City.

Jeffery Scott Mandeville, 10 pounds, 9 1/2 ounces, was born July 8 at 8:32 a. m. to Mr. and Mrs. James J. Mandeville of Kings Beach.

LAKE LITTERBUG IS FINED IN COURT HERE

William A. Weaver, West Sacramento, was cited by Game Warden Charles Spillner for throwing litter into Donner Lake on June 9. Weaver and four young boys were fishing and after eating their lunches, threw their lunch bags and sandwich wrappers into the lake.

Throwing or depositing litter into, or within, 150 feet of any of the inland waters of the state is a violation of the fish and game code.

Weaver was fined \$10 by Judge Wilson of the Truckee Court.

Bank Of America Building At Tahoe Planned For 1963

Why does the bank cross the road?

Why, to get to the other side, and relocate in larger quarters, just as Bank of America's Tahoe City branch will do around the middle of next year.

William F. Keller, manager of the bank's Truckee branch and supervisor of the Tahoe City office, announced today that land has been leased from Carl Becholdt, Jr. as the site for a larger building to house the expanding Tahoe City branch. The site is on the west side of Highway 28, directly opposite the present quarters.

"The move to larger premises reflects the steadily increasing activity in this area," Keller said. "The new building, providing expanded accommodations, will help us to better serve the growing needs of the community."

Work on the project is expected to begin in the early fall of this year. When completed, the branch facilities will include space for 12 tellers and five officers, a night depository and a 45-car parking lot.

Three Accidents Reported In Area

Three accidents during the week-end were reported by the California Highway Patrol.

Judith Ann Johnson, 16, Yuba City, sustained only minor injuries on July 4 on Highway 28 near Ludlow's, when she fell from the vehicle after a door latch sprung open. Patrolman Hopkins made the investigation.

Dorothy A. McGarr, 37, Floriston, was cited for being on the wrong side of the road and not having an operator's license in her possession after her car plunged down a 75-foot embankment near the state line Saturday at 11:30 p. m. The driver told Patrolman Carroll Maynard that she fell asleep at the wheel. She climbed back up the highway, flagged a tow truck and then went to the hospital for treatment.

Kenneth Anderson, 21, Sandy, Utah was injured Sunday on Donner Summit when a car operated by Julio J. Bida, 43, Sacramento, backed out of a private driveway onto the highway and was struck by a car driven by Scott M. Angus, 21, Murray, Utah. Bida was cited for not yielding the right of way.

Robert D. Nichols, 20, Piedmont was booked at the Tahoe City jail Sunday evening after his car hit an embankment near Squaw Valley turnoff on Route 89 and he was treated at the Tahoe Forest Hospital for head injuries. Patrolman Davis and Hopkins booked the driver for violating the county sobriety ordinance and speeding.

FISH EXPERT WILL ADDRESS SPORTSMEN

Almo Cordone, who is in charge of the fish research project at Tahoe City, will speak at the meeting of the Truckee Outdoor Sportsmen Friday night at 7:30 o'clock in the hall above the fire station.

Cordone has been head of the study program since its inception and will have a message of interest to the sportsmen of the area, and everyone, whether members of the organization or not, are invited to attend.

PATROLMAN HURT IN MOTORCYCLE MISHAP

State Patrolman Robert Horton was injured yesterday morning when his motorcycle collided with a car driven by Weston Sauby of Truckee near the elementary school on Emigrant Way. Sauby was cited for not signaling for a left turn. Both vehicles were west bound.

STOLEN CAR FOUND PARKED AT TAHOE

A 1950 Cadillac two-door sedan which had been abandoned on the parking lot at the Safeway store in Tahoe City, was found by Patrolman Dan Davis of the California Highway Patrol to have been stolen in Sacramento. The car was recovered Sunday afternoon and the owner notified.

All-Star Team For Little League Will Meet South Tahoe

At a meeting of major managers of the Little League Tuesday night the all-star team was selected for 1962. This group will meet the South Tahoe Little League on July 19.

From the Truckee team, the all-stars are Ray Wiser, Ronnie Walker, George Franceschini and Curt Wurst, with Tom Holleman as alternate.

The Kings Beach Giants named Rocky Riggs, Greg Pope, Dennis Smith and Greg Carney.

Randy Hiatt, Greg Beck and Larry Coney will represent the Kings Beach Yankees.

From Tahoe City, Carl Becholdt, Jim Becholdt and Larry Moustiris were selected with Paul Sullivan and Ronnie Smith as alternates.

Horsemen Plan For Museum Program

The Truckee-Donner Horsemen met Monday, July 9 at the Martis Valley Stables to complete plans for various phases of the Donner Memorial Wagon Train scheduled for September 7, 8 and 9.

The train will leave Reno, the morning of September 7 with arrival in Truckee September 9 to join the chamber of commerce sponsored parade to Donner Memorial Park.

At the park, the Horsemen will conduct memorial services, not only to the ill-fated Donner party, but to all wagon trains which pushed westward and conquered the Sierra.

The Horsemen have scheduled a directors meeting for 7:30 p. m. Monday, July 16 at the Martis Valley Stables. The chairman requests all directors to be present to decide several policy matters and finalize urgent points pertaining to the Wagon Train.

John Corbett, Squaw Valley photographer, will show his filming of the Horsemen sponsored July 4th parade on Tuesday, July 17 at 8 p. m. in the upstairs of the Capitol. The general public is invited to attend.

MAN IS FINED AFTER DEER MEAT FOUND

Robert J. Hodges, 36, Truckee, was arrested on July 4, for illegal possession of deer meat, at his trailer house parked at Hirschdale. Hodges claims he hit the deer with his car and then picked it up, took it home and skinned it. He gave some of the meat to his friends and the rest he kept.

He was arrested by Game Warden Charles Spillner and Deputy Sheriff Roy Waters, after a search warrant had been obtained and the meat found in his freezer.

Cooperation by Judge Wilson of the Truckee Court resulted in the prompt apprehension of Hodges. The fish and game code prohibits the possession of deer meat during the closed season even when the animal has been killed by an automobile or other accidental means.

Warden Spillner and Judge Wilson want the public to be aware that this law will be enforced and that the court will not condone violations of this type.

Hodges pled guilty and was fined \$250 and sentenced to 30 days in jail and was also placed on two years probation.

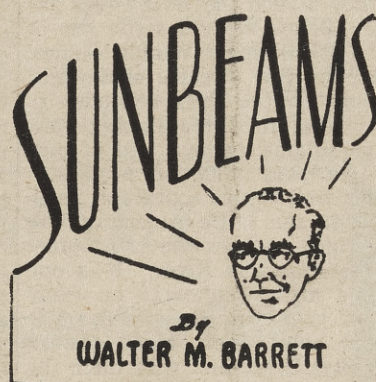

SPEEDER NABBED IN CHASE BY OFFICERS

Maurice D. Beerkamp, Jr., 22, Placerville, was cited on a number of counts by Patrolmen McCullen and Miexner following a chase that went up to 120 miles an hour on the freeway between Boca and Verdi Sunday night.

Driving a 1962 Thunderbird, Beerkamp was slowed by traffic at the Verdi bridge and was apprehended by the California and Nevada officers. He was charged with reckless driving, exceeding 110 miles an hour, driving left of the center line, passing on the right and failure to heed the red lights and siren.

SPECIAL MEETING

A special meeting of the board of directors of the Truckee Public Utility District for the purpose of discussing the budget and revising the lease agreement for the golf course, will be held Monday, July 16 at 8 p. m. in the district office.

The parade and art exhibit staged last week in observance of Independence Day not only provided wide interest and attracted scores of people to the area, but proved the value of coordinated effort in developing community affairs. The Truckee-Donner Horsemen and the Wyethia Club are to be highly praised for a worthwhile endeavor. It is easy to predict that next year's Fourth of July celebration will be even bigger and attract an even larger crowd.

Whether you are for or against the bond issue to be balloted upon Tuesday it is necessary that every voter in the Tahoe Forest Hospital District express himself at the polls. So far as known, there is no organized opposition to the issue, but there is reason to believe that those who do oppose will certainly cast their vote and it is incumbent upon those in favor to do likewise so that the true feeling of the district can be learned.

Teen Employment Office Established

KINGS BEACH—Plans for part and full-time teenage employment office, as a service of the Lake Tahoe-Sierra Chamber of Commerce, were announced today by Fred Schultz, chamber manager.

Schultz said the suggestion for this chamber activity was made at a meeting of the North Lake Tahoe Rotary Club and that his office had already filled two positions.

The plan is to register part-time or full-time job opportunities at the chamber, Schultz continued, and to post them on the chamber's bulletin board. Applicants for work may apply at the chamber's office located in Kings Beach, he added.

The chamber teen-age employment service was set up as a result of a discussion between employers at the Rotary meeting which pointed out the difficulties of reaching prospective employees at short notice, Schultz concluded.

The chamber has established this service free to employers as well as to teen-agers who are seeking work. All job placements will be on a mutually voluntary basis.

CABIN APPLICATION REFUSED BY BOARD

That the Nevada County Planning Commission plans to adhere strictly to the terms of the zoning ordinance affecting the Donner Lake area was shown at a meeting recently when an application by Roy Baker to erect a cabin within 20 feet of the right of way was denied.

Baker, who had started work on the structure, was refused a building permit and appeared before the commission to press his application. He pointed out that to build the cabin farther back on the property in the C zone would mean cutting three pine trees and he declined to do.

The board held that denial of the permit would not entail a hardship on the owner and the refusal motion passed unanimously.

TWO ARE FINED FOR PRE-SEASON FISHING

TAHOE CITY — Benjamin E. Phillips and Elton Patrick O'Neill were fined \$75 each when they appeared before Judge Robert Fugazi charged with fishing in Blackwood Creek before the season opened there. They were arrested by Game Warden Charles Spillner and each had two fish in their possession.

Sammets Arrive—Mr. and Mrs. H. A. Sammet are again at Meadow Park, during the school vacation at Richmond.

In Michigan—Sgt. Thomas Coughlin and Mrs. Coughlin are now living at New Baltimore, Michigan. Mrs. Coughlin will be remembered as Donna Power, teacher and Sierra Sun correspondent on Donner Summit.

Large Hotel May Be Built By Sinatra In North Lake Area

KINGS BEACH—Plans for the construction of a new eight-story hotel on the California side of the state line at Crystal Bay were revealed by Frank Sinatra during the weekend, according to a story in the San Francisco Examiner.

Sinatra bought into Cal-Neva resort three years ago and last winter took a controlling position in the ownership. Cal-Neva was completely rebuilt by the new owner this year.

Details of the new hotel were not immediately available but will add greatly to the fast growing resort area at North Tahoe.

Awards Are Made For Art Exhibits

The first annual Jolly Art Festival, sponsored by the Women's Wyethia Club and the parade of the Truckee-Donner Horsemen's group held July 4-6 exceeded the expectations of the committees in charge and plans are now underway for a bigger and better celebration in 1963.

Hester Parsons of Hawaii and Donner Lake had the good fortune to be awarded the painting of Squaw Valley by Rafael Jolly and the misfortune of breaking her ankle while horseback riding.

The Truckee River, a picture painted by Emma Flynn Elliott proved to be the most popular and was given first prize.

Second place winner was George Carter of Reno, No. 141 and Mrs. Terry Tollefson of Truckee was third place winner. Carolyn Martello of Donner Lake was given 4th place with her picture, "A Cool Drink."

The sponsoring clubs want to thank everyone for all the fine cooperation in making the event such a successful one.

TRUCKEE RACERS IN THREE TOP PLACES

Although both Harry Causey and Ron Gausche failed to place in Saturday night's hard top races at Reno because of mechanical difficulties, they still held first and second place respectively in the point score.

By virtue of his third place win Saturday in the main event and by winning the fast heat event, Red Harris maintained third place in points, to give the Truckee racers, first, second and third.

LOCAL BOY PITCHES FIRST NO-HIT GAME

Joe Corro, age 11, of the Truckee Little League Cubs team pitched his first no hit, no run game Monday against Tahoe City, allowing 3 bases on balls, one error, 14 strike outs to win with a score of 25-0.

Every man had 2-3 base hits and the whole team played heads up ball and now has to its credit nine wins and no losses.

The Cubs are in the capable coaching hands of Babette Hauelsen, also noted for her skiing and teaching of the sport, and Ed Siegel, manager of Sugar Bowl at Norden who also has contributed time and experience to helping the young boys.

WHEELER FAMILY TO LEAVE FOR SOUTH

The Lou Wheeler family is scheduled to leave this week for Long Beach. Wheeler has been employed here for some time by Thornton's Garage.

Mrs. Wheeler has been secretary for the Truckee-Donner Horsemen and as a token of appreciation for her outstanding work in this office, the association presented her with the picture won for having the best exhibit in the July 4 parade.

FATHER EXPIRES

Funeral services were held this week at Auburn for Herbert S. Clegg, Sr., a former Auburn banker and city treasurer for 20 years. Included among the survivors is Herbert S. Clegg, Jr. of Tahoe City.

Celebrate Anniversary—Dr. and Mrs. Carl Widing of Alta, friends of Mr. and Mrs. James Warnke of Donner Lake, recently celebrated their 33rd wedding date at Reno.

Bond Election For Hospital Is Slated For Next Tuesday

Problem areas in the planning stage for expansion of the Tahoe Forest Hospital were all resolved following a meeting at the hospital last Thursday, when Whitson Cox and J. R. Liske, Sacramento architects met with hospital officials and medical staff members in an all-morning session. The work accomplished at this meeting will permit the program to move along swiftly to its conclusion.

The board of directors have called an election for next Tuesday, July 17, at which time the voters will be asked to approve a bond issue in the amount of \$950,000 which will enable the hospital to finance the expansion program.

Latest figures available from Placer and Nevada Counties indicate a healthy increase in the assessed valuation covering property in the hospital district boundaries, and this will reduce the amount of the tax rate required to handle the bond program to a figure below 25 cents per \$100 of assessed valuation.

"Community health is of vital interest to all persons living in this area," said J. J. McGlade, hospital administrator. "Our growth in population will continue to develop at a rapid pace for the next decade, and the hospital facilities must be ready and able to accommodate this growth as it occurs."

McGlade said. Hospital officials feel that the program of expanded hospital facilities will meet the needs of this area for the next eight to ten years.

Polls will be open from 7 a. m. to 7 p. m. in the four consolidated precincts of the district Tuesday.

These polling places will be at the fire station in Truckee, at Donner Summit Lodge in Soda Springs, at the Community Center in Tahoe City and in Kings Beach at the elementary school.

Girl Fails In Try To Swim Lake Tahoe

LAKE TAHOE — Erlene Christopherson, 16, Sunday gave up her second attempt to become the first woman to swim the 21.6 mile length of Lake Tahoe, three miles short of her goal.

The Lodi girl had to give up on her first try last year a mile short of the shoreline.

This year, as last stomach cramps and rough water forced her to climb out of the chilly Sierra lake.

She began her second try at 3:14 a. m. at Carnelian Bay at the north end. She was ahead of her last year's progress for the first 10 hours, then waves began pushing her off course.

Miss Christopherson said after the swim that she did not yet know whether she would make the attempt again next year.

WELCH IS NAMED TO HEAD SIERRA BOARD

Harold Welch, operator of Donner Lake Lodge, was elected president of the governing board of Sierra College at the organization meeting held July 2 at the college near Rocklin.

Willard Dietrich of Roseville was chosen as clerk of the board and Harold Weaver, college president, was reappointed secretary.

The board conducted routine business and established the calendar for the coming school year.

ACTION DELAYED ON MACHINE SHOP BID

The Nevada County Planning Commission Monday night delayed action on an application from Robert T. Jones for erecting a truck machine shop on the south side of the Truckee River opposite town but did grant him a permit to park a trailer house there.

The commission approved a permit for Tahoe Van Gas to install an 18,000 gallon propane storage tank in the vicinity of the Spaulding Lumber Company, formerly the Denney Logging Co. plant. The larger tank will replace two 1,000 gallon tanks which are in the same location.

JUDITH VAUGHAN TO BE GRADUATE NURSE

Judith Vaughan, daughter of Mr. and Mrs. Howard S. Vaughan of Reno, former well known Truckee residents, will graduate from the Kaiser Foundation School of Nursing in Oakland tomorrow. The class of 36 students will receive their diplomas at the First Presbyterian Church.

Hardin Family at Donner—The Dale Hardin family of Sacramento has been spending as much time as possible at their Donner Lake cabin.

Special Dates—July 4 was a double holiday for Mary Kay Rose and John Besio who celebrated their birth dates with their respective families on Independence Day.

Mrs. Ralph Peer of Los Angeles has opened her summer place, White Firs, at Homewood.

Mrs. O. I. Lockwood of Santa Monica is visiting friends at Tahoe City briefly before returning home. Mr. Lockwood did not come up this summer, due to his health.

Summer session started at Tahoe Lake School on Monday with an enrollment of 66 students. Members of the summer school faculty are Betty Long, Margo Hart, Deryl Strong and Principal Darrel Smith.

Bro Shontz is at home after a short stay at Tahoe Forest Hospital. Bro, the son of Mr. and Mrs. Jay Shontz of Tahoe City, suffered a broken leg last week.

Leaving Monday for a two-week stay at Camp Wasiu, the Girl Scout camp near Meeks Bay, were Ann Starratt, Joan Duttweiler and Janet Jorgensen.

Sue Kitchen of San Jose is spending the month of July with Tahoe City friends.

Mrs. Frances Facha has returned to her Newcastle home after vacationing with Mrs. Stella Watson of the Highlands.

Yvonne Baker, daughter of the Jim Baker's of Tahoe City, returned home Monday night after spending a three week vacation visiting with her grandfather, R. D. Leuschner, in Fresno and attending a summer camp.

Happy July 2nd birthday to Otis Lyons of Tahoe State Park and July 9th birthday to Betty Keechler of Dollar Hill.

Speaker at the last Tuesday "University Night" session at the California Alumni Center near Tahoe City was Bill Monaghan. Monaghan is special assistant to Dr. Clark Kerr. Dr. Tibor Sitovsky of Budapest, Hungary and visiting professor this year at the Berkeley campus of the University of California, will be the speaker on Tuesday, July 17. These "University Nights" are open to the public and will be held weekly on Tuesday nights at 8 p. m. at the Alumni Center.

Swimmers earning their American Red Cross Junior Life Saving certificates last week were Jack Dunaway, Robert A. McClanahan, Ben Keechler, Dianne McBride, Ronnie Smith, Ken Silva, Kristin Meixner, Jill Lyons and Rosemary Wray. They all completed 21 hours of rigid instruction and passed the requirements successfully under the direction of Water Safety Instructor Betty Baker.

Volunteers who aided in the program were Area Chairman Maggie Stollery, Tahoe City, co-chairman Eunice Henriksen, Betty Keechler, Gladys McClanahan, Greg Hickox, Don Silva, Bill Steenis, Karen Henry and Mike Keechler.

Pools for the program were made available through the courtesy of Mrs. Dorothy Forbes of Dollar Hill and Howard Martin of the Highlands.

Just call him "Spots" Long. Genial Ned Long of Sierra Estates is "at home" this week battling a severe case of chicken pox. "Spots" claims that the "togetherness" can go a little too far—he thinks his three children should have gone it alone.

Among those observed at the new "Starlite" open-air dance pavilion near Tahoe City last week were Susan Stephanie, Alice Calhoun, Jayne Shontz, Greg Moore,

100-MILE, ONE-DAY HORSE RIDE STARTS AT TAHOE JULY 14

AUBURN — Some of the most spectacular scenery and most colorful history of the west is visited each year by the riders who penetrate the heart of the Mother Lode country during the 100 Miles One Day Ride on the Western States Trail—Tahoe City to Auburn.

Starting out before dawn, on July 14, in the chill of 5 a. m. temperatures, the riders are first greeted by the flag at Squaw Pass as they ascend the Bear Creek Divide. Below them lies the site of the 1900 Olympic Winter Games. Soon, the first streams of daylight intrude on the dark solitude, illuminating the breathtaking view of mountains, valleys, and of mirror-like lakes in far off pockets.

The trail begins a descent, heading into the Little American Valley which harbors the headwaters of the American River. It is one of the many landmarks en route where gold was discovered. The riders being their climb toward Red Star Ridge and with them the temperature rises too.

Now mid-morning, the thermometer is fast approaching its 90 degree peak. Facing the same climatic conditions Pony Express Riders battled over 100 years ago, the riders cope with choking red dust and all the near desert-like conditions prevalent at this time of year—many weeks after the last spring snows and rains.

The trail leads above the thick forest of French Meadows, then, six miles ahead, after crossing an old dirt road, the riders pull up at the first of the four required stops at a ranger's station, 33 miles from the starting line.

Here, the rider gets refreshment while the horse receives a complete veterinarian's check, water and food before going on to the next lap.

The next landmark is the old wagon road, leading into Lost Chance, site of one of the big mining camps on the eastern front of the 1849 Gold Rush. From there the riders face a 2,500-foot drop into the North Fork Canyon where

Doug Smith and Dick Nielsen. The "Starlite" is available for group dancing parties according to Darryl Fenley.

Members of the Tahoe City Women's Club and their guests attended a luncheon meeting of the club on July 5 at the Homewood Hotel.

Guest speaker at the meeting was Mrs. Fosten Wilson of the Wyethia Club of Truckee who spoke on the Wyethia's Art Fair.

Mrs. Lillie Weaver of Sonoma "Valley of the Moon" is vacationing with her son and his family. The Ben Keechlers, at their Dollar Hill home.

LITTLE LEAGUE NOTES: The first all-star game for the Truckee Tahoe Little League is scheduled to be held at South Tahoe on Thursday, July 19. . . working hard at every game are scorers Pope and Hannah of Kings Beach, Laugenour of Truckee and Marier and Freeland of Tahoe City. . . Mrs. Lee Cannon is in charge of the refreshment stand at Tahoe City, with an able assist from Mrs. Bill Mullen.

Recuperating from injuries suffered in a fall at her home last week is Mrs. Norman Crouse of Tahoe City.

Mr. and Mrs. Bob Larson of Sacramento vacationed at their Pineland residence last week.

NID MAN PROPOSED FOR STATE POSITION

The Mountain Counties Water Resources Association has formally requested Governor Edmund G. Brown to consider the appointment of Edwin Koster, manager of the Nevada Irrigation District, to the California Water Commission. The association, in April, adopted a resolution urging the governor to appoint northern representation to the commission.

This followed the governor's ap-

pointment of ex-Los Angeles Mayor Norris Poulson to fill the vacancy created by the death of Samuel B. Morris. The Mountain Counties Association action stems from the fact that there is no representation on the commission from the northern counties originating California's water.

From there, it's just a short jaunt to the half-way mark, and on to Michigan Bluff, an area over which millions in gold was packed by mule. The riders move on to such famous (gold) bars as Oregon, Yankee, Buckeye, Maine, Green Mountain, Hoosier, Kennebec, Mammoth, Texas, Backner's and New York—many of them named for the native states of the men who mined them. Although it was over a century ago that these were populous camps, the trails up river that were worn into the hillsides by Pony Express messengers exist today.

By the time they reach Mammoth Bar, the riders are on the home stretch. They pull up at the Auburn Fair Grounds with 100 miles of rough riding behind them, and a handful of pride for accomplishing one of the greatest feats in American horsemanship.

The Country Club had a meet-

ing on Monday evening but I was unable to attend as Eve and I had to make a quick trip out of town. Bob Moore asked me to report that every Sunday at 3 in the

afternoon there will be organized Scotch foursomes. He asked that everyone who wishes to play wait at the club house so that John Firpo or his appointees can tell you the rules and send you out properly. They want to award prizes and make it lot of fun for all.

It makes no difference if you are a beginner... handicaps will be used for purposes of fairness so try hard to make it and I'll wager once you've done it, you'll be there each Sunday from now on. Coming up this Sunday will be our return home-and-home game with Grass Valley Country Club... Pairings will be made and you should sign up on a sheet at the club house this week if you plan to play. Grass Valley was won-

derful to us when we were there this spring so everyone should show up to greet them.

Patti Fink, social chairman, will be contacting those she wishes to help on the food, etc. The tournament will begin at 8 a. m. so get your name in at the club house today. Call Bob Moore if you need more information.

Well, what did you think of our parade last Wednesday? I personally thought it was one of the nicest things that has happened in a long, long time and sincerely hope it can be arranged each year on the Fourth of July. We've gone too long with nothing doing on that day and I believe everyone felt the same as I've never seen so many enthusiastic persons. The Jolly Art Show was also a

Hello, again.

To get the picture of a community and make it fit together like a jig saw puzzle is a bit of work. When the strike became yesterday's news — then today's news had to go by the board whilst we got organized to take care of the pieces of the jig saw that go into the unrolling of a highway. And so—we are sorry that we have missed you and will try to catch up on a few local items that might not have made the front pages of our Republican Sol.

Think the "cutest" is a wedding party we had last evening—(Sun-

hugs success and it's sad to see all the pictures coming down. They certainly added interest to the front street and made a wonderful impression on the tourists. Truckee's business district has never looked busier. It is excellent for business and this would be a good thing to have as an annual affair also.

Congratulations to all the parties who worked so hard to make both affairs successful. Next year I'm sure they will receive all the support they need in making the affairs bigger and better than ever.

day) which came to us "transient wise." Whilst the oldesters toasted the bride and groom with champagne—the B & G drank Shirley Temples.

A bit of bad news. We heard from Evelyn Gray of Kentfield that her mother had passed away a few weeks ago. Remember Evelyn Tremaine of Donner Summit Lodge? She was on our hotel staff when we managed good old D.S.L. and remained with the present owners for quite a spell. Old timers on the hill will remember Ev—and we can't think of a person who was more loved.

Then we note Rickey Schull limping about and remember that he did a "goes in there and comes out here" type of accident with a gun. Yep, shot himself in the leg but fortunately did no great damage. (Heard that our Milk Man—the Golden State runner shot himself too—but not badly, except he had to have a substitute driver tote the cow product this day (Monday) because his shooting made it difficult to put his posterior in the seat of the milk truck).

The Donner Lake Volunteer Fire Department Ladies had themselves a ball at our place recently. Celebrated with a dinner whose theme was "Spring Is Busting Out All Over"—and the tables were nicely decorated with June symbols—such as bride and groom, a graduate, a fisherman, a sports car, a swimming beauty — "Miss Donner Lake" and such, proving that the gals are on the ball.

Our Raymond Fitch (Bing to you) had himself a birthday party also which ended in a catastrophe, in a way. Bing, elated with his birthday presents and his cake—was too heavy for the wing of his elation and misplaced a boot on a stair which sent him to the hospital for a couple of days. Not a nice way to end a birthday celebration.

Madylon Walton returns from a five months European jaunt. Bought a Volkswagen in Europe and did herself 14,000 miles. Says Madylon "once in school I saw a picture of the coliseum and that became my diamonds and my mink coat. My trip to Europe has been planned since I opened that book." We plan on a longer session than the one we had this day as we "experience Europe" from someone else's experience. Starr returns with Madylon—a much wiser young lady as mother encouraged Starr to make the hotel reservations, plan their junkets, figure out money exchanges, etc.

And now back to our own countryside. Little Tina Vail is the proud possessor of a new red bike. Her two year old legs can't quite reach the pedals and we see Mama Rita pushing her offspring on her red bike up and down the county road.

We sympathize with the Soda

Springs Bourdet family. It was Irene Bourdet's mother who was eulogized on the front page of this (Continued on Page 6)

NOTICE OF SALE

Notice is hereby given that sealed bids will be received by Truckee Public Utility District, a body politic, at the office of said District, Commercial Row, Truckee, California, up to and including 8:00 o'clock P. M., August 14, 1962, for all the live timber 20 inches or more in diameter and all the merchantable dead timber located on an area embracing about 280 acres within the NW 1/4 of the SW 1/4, NE 1/4 of the SW 1/4, SE 1/4 of the SW 1/4 of Sec. 9, T. 17 N., R. 16 E.M.D.B. & M., and the NW 1/4 of the SW 1/4, NE 1/4 of the SW 1/4, NW 1/4 of the SE 1/4, SW 1/4 of the SE 1/4 of Sec. 8 T. 17 N., R. 16 E. of the M.D.B. & M. excepting therefrom an area approximately 10 acres more or less, continuous to certain springs and water gathering facilities. An estimated 800,000 feet BM of pine and fir are available. A certified check for \$5,000.00 must accompany each bid to be retained to cover fulfillment of terms and conditions of sale. Cutting must be done according to regulations now in effect by the U. S. Forest Service, Tahoe National Forest. Truckee Public Utility District reserves the right to refuse any and all bids. Before bids are submitted, full information concerning the timber, the conditions of sale, and the submission of bids should be obtained from the office of the District, Commercial Row, Truckee, California. COOKING with GAS!**

Our little blushing bride blushed because her stove was the saddest sight in seven states. Small wonder. She used to cook on a so-called "flameless" (but not blameless) range. Boil-overs, caused by Hangover Heat, were a constant problem. Poor dear wore her hands and temper raw cleaning up unsightly messes caused by coils that were still "hot" when they were "off."

Then she switched to wonderful GAS! Boil-overs banished forever! She had 1001 different heat settings at her command. GAS is on and off — instantly.

We've cooked up a special bonus buy on a direct factory purchase. You'll save a fat \$20 bill if you buy this new GAS range today.

You're money ahead when you buy your GAS range from us. We're specialists in GAS appliances, and we service what we sell.

Squaw Valley Inn was the setting for a pool side luncheon and fashion show Saturday. Hosts were Frank and Mildred Rawson while Riviera Resort Clothes of Kings Beach and Tahoe City furnished the fashions. Models were Bin-naz Bingollu, Cissy Lyons, Lynn Denton, Vivian Davis, Myrtle Car-nell, Carol Ann Johnson, Julie Bradley, Suzanne Elliott, with Dolly Smith commenting. Delightful afternoon was enjoyed by all who attended.

Lake Tahoe-Sierra Chamber of Commerce met at Sunnyside Lodge today for an executive meeting. Present at the meeting were President Selby Calkins, Florence Brown, Sandy Poulsen, Carlton Konarske, Bethel Van Tassel and William Briner. Regular monthly meeting of the chamber of commerce is scheduled for Thursday, July 19 for a luncheon meeting. Place will be announced.

Women's Society of Christian Service will meet at the home of president, Pearl Draney at Incline Beach on Wednesday. Business will include a report of the smorgasbord and the planning of the rummage sale.

Bill and Betty Burns of Marysville and Mr. and Mrs. S. Harris of Donner Lake were Sunday guests of Harry and Ceta Hooper at Brockway. Billy and Ceta have been friends since childhood, having both been born in the little village of Hammonton not far from Marysville.

Dick Graves, Jr. of Carson City, John Martin and Joe Sullivan, students at Notre Dame, enjoyed the closing Frank Sinatra show. The three young men advise the best Kentucky fried chicken may be had by stopping and seeing them.

Lunching at the North Shore Club Thursday were Women's Club of North Tahoe members, president, Mabel Coulter, Jacquie Black, Dorothea Whitley, Alice Hall, Louise Walter, Virginia Casella, Bethel Van Tassel and guest from Campbell, Lee Aversente, Ruth Mizner and Pearl Draney.

Plans were completed for today's annual fashion show which is a benefit for the north shore fire departments.

Lena Horne is expected to be present as a guest of the Women's Club.

Ted and Ruth Schonburg and baby, Lynn, of Castle Air Force Base were guests of Willis and Ruth Mizner at Kings Beach last weekend.

Our sympathy is extended to Jeri Rayburn of Incline Beach and Theresa Sutton of Kings Beach on the untimely death of their sister-in-law, Margaret Peluso of Sacramento.

The Bill Hawkins family of Yuba City have opened their summer home at Brockway.

The Fred Bakers and son, Ralph, of Yuba City, and Charles "Chuck" and Helen Gross of Marysville were Tahoe Vista visitors over the 4th of July.

Lee Aversente of Campbell has planned a class in flower arranging and related subjects for September. Lee has been special guest at several Women's Club of North Tahoe meetings where she presented different shows of this kind. Dates and place these classes are to be held will be announced later. Interested persons may enroll by phoning LI 6-3842 or write club president, Mrs. William J. Coulter, Crystal Bay.

paper week before last. Can't remember a summer when Mrs. Patricia Osgood hasn't been around

this mountain top. Whilst her husband, Howard, whipped the streams for trout—Pat sat on her daughter's porch and reveled in the mountain air. We'll all miss her. Hear that our Donner Community

Club will have its annual barbecue in August. This is "Pay Your Dues Time" so don't come with an empty purse. Think this is on the first Sunday of August.

The Kingvalites held their annual meeting this past Sunday which had to do with the regular mountain problem — WATER. (Seems as though when we make the stuff up here to send down to the valleys — that we shouldn't have any problems with the wet substance). Kingvale residents for years have had but summer homes only—those who didn't have wells. The pipes for the transportation of water were too close to the surface—and come the end of deer season — the "water works" was shut off for the winter months, to avert freezing of the whole system. Those with wells — and who felt like trekking in to their cabins have been the only yearly fre-

quentees. As mentioned — the greater population and there are over 80 homes in that beautiful tract) did their skiing and indulged in winter sports elsewhere. The meeting this past Sunday "opened" the tract as each property owner—who belongs in the water association — was assessed for winterizing of the "water works" which indicates that the pipes will be buried to the extent that winter water will be available.

The mountain takes on a festive air — after its two months "holiday" of strike conditions. The machinery yawns and comes to life with a mighty grunt as it heaves itself from its stagnant bed. The tin hatted boys put on their work gloves as their soft, uncalled hands grasp the tools of their particular trade. The drillers cover the mountain side in a

Well, here we go again. Ole Donner Lake residence are plagued with the same old problem of a poor water situation. At least on the east end of Donner Sunday, we had no water at all for hours on end and then when it did come through it was barely a drip. After asking about it, the remark was made that too many people are watering lawns and washing cars. During the winter these things are not done and yet much of the time we had to get water elsewhere. Why? Well, a few of us intend to find out just what goes with this situation and anyone interested in participating is asked to call Mrs. Fred Johnson at LUther 7-3304. A meeting of interested parties is being planned to meet at Donner Lake School of Dance (Pankokes) in the very near future. Something should be done to correct this as it is quite embarrassing when guests are here and no water. It is also a hardship on the business people who depend on it for a living. Let's get together and see what we can

putty covered tableau as their tools bite in to the Sierra granite—an angry hoard of bees. The whistle blows which is a blast warning. (We hurriedly sit on the stove so that our cake doesn't fall in the oven). And, you know something, we are not looking forward to the end of the construction period. Not necessarily because we will go back into our old rut of "skiers in the winter" and "transients in the summer"—but because we will miss the noise and the activity. And the new Donner freeway moves on.

"Uncle Bert" Barber of Donner Summit Lodge—moves into his new mountain cabin—built with his own hands. And a prouder "papa" you never saw.

Valley Construction Company of Fresno moves back into Sierra Lakes (Ice Lakes to you) to finish up the work that was rudely interrupted by snow last year—such as sewage disposal plant, pipe lines, and the works. And we guess we'd better close up this chatter for right now. But we haven't forgotten Stevens Pass. Hope you've caught up now. And we'll assemble some more pieces of our jig saw to write you a Frankly Fran again in the near future.

BEE DEVOTES SPACE TO LOCAL DISTRICT

In its Leisure section, the Sacramento Bee this week devoted a two-page spread, with four illustrations to the Truckee-Donner recreation area.

Captioned "Donner Recreation Area Is Growing," the article by Donald Richardson, goes into some detail on the growth and development of the region.

"With each passing day, conversion of U. S. Highway 40 into a full freeway brings Sacramento and San Francisco Bay area closer to Truckee in distance as well as driving time," the article starts off.

"Significant as this fact is, it is only one of many new developments which are expected to have a great impact on the already popular Truckee-Donner recreation area," it goes on.

Mention is given the new 6,000 foot airport runway, realignment of the Brockway Cutoff, the Jackie Jensen Ponderosa Golf Club, Squaw Valley State Park, the Prosser Creek development, the fine fishing and hunting available, the numerous ski resorts, the fine beaches, the new Emigrant Trail

COUNTIES ELIGIBLE FOR FEDERAL HELP

The department of agriculture has advised the Honorable Harold T. (Bizz) Johnson of the second, mountain-valley counties, district of the extension for one year of the emergency loan program enacted as a result of drought conditions and its effect on crops and livestock production. The action was taken by the farmers home administration because of a shortage of agricultural credit resulting from the drought.

Emergency loans may be obtained in the counties covered by the order until June 30, 1963.

Congressman Johnson, "any farmer desiring information about emergency loans or other types of assistance available through this agency should get in touch with

Museum and Donner Memorial State Park improvements.

A quote from Richard Higgins, local postmaster and president of the Truckee-Donner Chamber of Commerce sums up the story:

"Anyone coming into this area is coming for one thing—recreation; and that's what we have to offer."

PLACER VALUATION DOUBLE IN 10 YEARS

AUBURN—The assessed value of property in Placer County now totals \$102,835,525. The figure, made public by County Assessor Lloyd Geraldson, is more than double that of ten years ago, when the assessment roll totaled \$49,814,339, reflecting the acceleration of county development and growth in more recent years, the assessments total is \$22,498,085, or about 31 per cent, over two years ago, and \$9,387,630 above the 1961 total.

The \$102,835,525 does not include the value of public utility properties in Placer County, which was \$37,884,220 last year. These will be announced by state officials next month. Nor does it include the value of licensed motor vehicles in the county.

Geraldson's figures show the assessments roll as follows: Secured property, \$96,497,130, compared with \$87,251,945 last

the local office of the farmers home administration serving his county."

The counties covered by the extension are: Amador, Butte, Calaveras, El Dorado, Inyo, Nevada, Mariposa, Placer, Tuolumne.

THEFTS ARE PROBED IN LAKE TAHOE AREA

TAHOE CITY — Placer County deputies investigated a report by John C. Townsend, a camper at Tahoe City, that \$235 worth of articles were stolen from his camp while he was at dinner.

Tahoe officers say they have a suspect in the burglary of the Stop and Shop Market at Kings Beach Monday, when \$180 in nickels, dimes and quarters were stolen from an unlocked safe. The thieves cut through the side of the sheet metal building.

SLIGHT DECREASE IN CRIMES IS REPORTED

California showed a 1.4 per cent decrease in its 1961 crime rate over 1960. This modest decrease is not sufficiently different from prior years' rates to indicate a change in California crime pattern of a slow, steady increase in the crime rate during the past seven years. This summary statement of felony crime is disclosed in the annual report submitted to Attorney General Stanley Mosk by the state bureau of criminal statistics.

The statistics are listed in the annual "Crime in California-1961," compiled by the bureau under the direction of Fred A. Knoles, chief of BCS.

The annual report of the bureau is based on four basic categories of information reported by all primary law enforcement agencies and district attorneys in California. The categories are: (1) felony crimes reported; (2) felony arrests; (3) felony complaints filed; and (4) felony cases prosecuted in the superior court. Eight geographical areas are established for the report and the number of crimes for each 100,000 population are also presented for the entire state and each geographic area. The 100,000 population base is used so that comparisons between areas can more readily be made.

The pupil of the cat's eye is capable of very great expansion. year; an increase of \$9,245,185. Unsecured property, largely personal property, livestock, etc., \$6,356,395, against \$6,213,960 a year ago; an increase of \$142,445.

Mrs. Edna Foster of Berkeley is again greeting friends at Carnelian Bay.

The address of W. G. Speeter has changed from Wilton to Fallbrook, California.

For more than a half century, the W. R. Tiffany family has been coming from Stockton to spend the summer at Homewood. Tiffany an ardent and successful fisherman is expected to have his usual luck in getting his limit of trout.

LENA HORNE STARS AT CAL-NEVA LODGE

CRYSTAL BAY — The incomparable Lena Horne introducing a wealth of new material plus audience requested stand-bys, Stormy Weather included, continues to pack Frank Sinatra's Celebrity Room at Cal-Neva Lodge. Grace, poise, "sell," everything goes into Miss Horne's 40-minutes under the spots thrilling the jam-packed audience with her every number.

Lena closes July 19 in what must be one of her most successful engagements during a spectacular show business career.

happy to hear they are back at their Carnelian Bay home. Hal and Gil Gilson just arrived back after a weekend visit to San Francisco. Bertel Woods is spending a week at her summer home, "Cabin of the Woods" with a group of lady friends from Oakland. Dianne McBride stopped by with her family on their way back to Vallejo after a three week jaunt to the World's Fair and Kansas. Arthur Johnson and family spent the Fourth of July enjoying our beach. Art and Twila, former residents of Donner Lake are now residing in Grass Valley. The Fred Johnsons had their son Gordon as a weekend visitor from San Jose. Estru Trotter is back teaching at Donner Lake School of Dance and is making every effort to get a baton twirling group together for parades and entertainment in this area. Anyone interested should contact Diana Pankoke. Donner Pines Motel is booming with visitors from Monterey. Lena had her sister Nella Genovese over the weekend and entertaining Nella's son Mike for two weeks. The Richard Cota family also was there and left daughter Jerry and Lenoarda Aiel-lo to spend some time with the Richard Clandros. Dick's brother Nicki spent a few days with Elaine and Dick also. So Monterey was well represented in this area. We had the William Bauers as our "over the Fourth" guests. Bill and Jeanette are from Norwalk and Bill was a participant in the left handers golf tournament in Reno. He wouldn't say how he made out though. Pamela Horman left for the Girl Scout Camp Wasiu at Meeks Bay for a week of fun. Little Richy Quist is back home again after a visit to San Francisco with his grandmother, Mrs. Frank Lang. Mrs. Lang and Mrs. Fager are spending some time up here at their summer home. Mr. and Mrs. Barak Wright are entertaining their son Fred from Los Angeles. Was happy to meet June Farley on the lake the other day. They are regular comeback visitors each summer and June tells me Cal is working on construction this year. So you see, with all these visitors coming and going, don't you agree the water situation needs something done soon? Our season is just getting going and it could get worse, water wise.

Now... test drive the NEW 'JEEP' TORNADO-OHC ENGINE You'll be amazed at its performance!

Presenting the Tornado-OHC, America's first overhead camshaft engine designed specially for commercial vehicles.

WHAT IS AN OHC ENGINE? In a conventional engine, the valves are on top—the camshaft, which operates them, down below. The Tornado-OHC has overhead valves and an overhead camshaft—which is what OHC stands for. The simplicity of this system—it has 36 fewer moving parts—makes it much more efficient. It produces 33% more power with up to 25% better gas economy—needs less maintenance and lasts much longer.

COME IN AND TEST DRIVE THE TORNADO-OHC ENGINE—now available in 'Jeep' Pick-ups, 4-wheel drive Utility Wagons, 2-wheel drive Station Wagons and Panel Deliveries.

MOLSBERRY APPOINTED
Robert Molsberry, who has been acting postmaster at Kings Beach, last week was officially appointed to the position by President Kennedy, according to a press dispatch from Washington, D. C.

Antique Bowl—
A fluted bowl in pastel shades and rose motif is part of the china collection of Mrs. Charles Heller. The attractive dish was made by Ringer of Sevres in the middle 18th century.

Painter Painted—
A photo of a portrait of Rafael Jolly was shown in a Nevada paper, painted by one of his Reno students, Mrs. Marge Means. The portrait has been shown in a number of art shows, the subject has classes at Reno each Tuesday.

Guests Here—
Visitors at the home of Mr. and Mrs. Carl Jefferson this past week included Mr. and Mrs. Frank Riestra and children of Gardena, Mr. and Mrs. Edward Lawson of Sacramento and Mrs. Cora Miles of San Jose.

To Al Tahoe—
Jimmy Leamon returned to his home at Al Tahoe, after being the guest of his grandparents, Mr. and Mrs. Harold Langille.

Builds Batting Cage—
The Little League baseball teams of Truckee have voted a great big thanks to Ed Siegel, manager of the Sugar Bowl, who recently built and donated a batting cage to the groups, a sorely needed accessory for the playing of better baseball.

Return—
Mr. and Mrs. C. A. Tollefson have returned from Hemet to spend the summer at their local home.

Buys Business—
Eugene J. Illardi, formerly a pharmacist at Loynd's Truckee Drug has purchased a pharmacy at Sacramento where he has been employed for the past 11 years and has been the manager of the firm for the past seven years.

CARD OF THANKS
To all the dear friends who so kindly sent flowers and funny cards during my recent stay at St. Mary's Hospital, while undergoing surgery and convalescing, I wish to take this means to thank each one. I expect to be back at the M. H. Dodd Realty Co. within a few days.
Mel Throop

CARD OF THANKS
We want to publicly thank the Wyethia Women's Club and the Truckee-Donner Horsemen for the splendid program marking the observance of Independence Day in Truckee. The effort put into the parade and art exhibit were great and the results certainly were outstanding.

ANITA ALLISON WEDS IN SPARKS CEREMONY

A wedding of interest here took place, July 7 in the Methodist Church at Sparks, Nevada when Mrs. Anita Allison of Donner Lake and Charley Farrar were united in marriage at an early evening ceremony, by Rev. Dolin.

Mrs. Farrar, well known in local business and lodge circles chose a gown of light blue brocade with white accessories, completing her ensemble with a white orchid corsage.

The couple was attended by Mr. and Mrs. R. H. Slack of Donner

Lake. Arriving for the rites and dinner which followed included Mrs. Farrar's son-in-law and daughter, Mr. and Mrs. William Craig and two children of Rancho Cordova; her son and daughter-in-law, Mr. and Mrs. Clinton Allison and three children of Richmond; Mr. and Mrs. Albert Manetta of Donner Lake and Mr. and Mrs. M. Breese of Sparks, Nevada.

Mr. and Mrs. Farrar are presently living at Donner Lake and the former also has interests at Nevada. They plan a trip later this fall to other points of interest and have been receiving felicitations of their friends.

by EDGAR RICE BURROUGHS

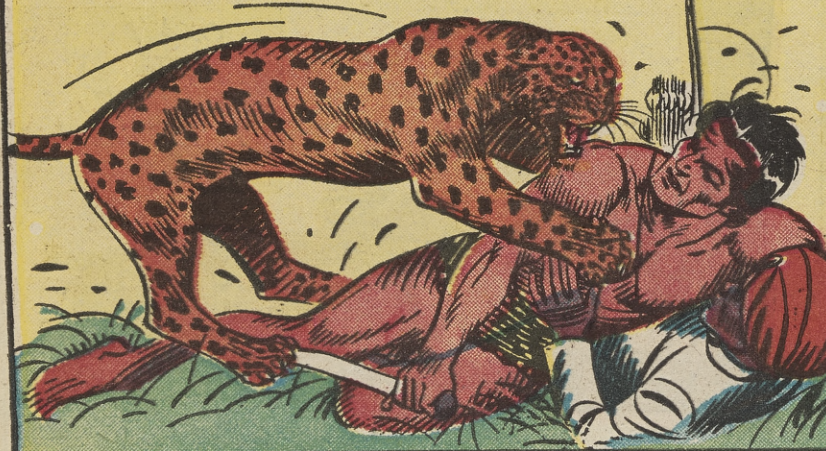

AS THE LEOPARD ATTACKS, PRINCE ASHIR'S REFLEXES—SLOWED BY HIS WOUND—MAKE HIM A HELPLESS TARGET...

AT ONCE A SHOT RINGS OUT—A VIOLENT, SPOTTED FORM ARCS TOWARD ITS PREY—AND FROM A TREE, A BRONZED FIGURE FALLS ATOP A BEWILDERED YOUTH...

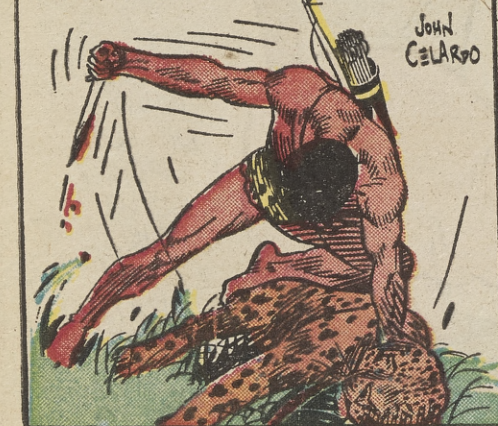

...QUICKLY SHIELDING HIM FROM THE SLASHING, RIPPING ANIMAL...

AND JUST AS QUICKLY RETALIATING IN KIND—AND THEN SOME!...

SO SAVAGELY THAT THE LEOPARD IS DESTROYED IN SECONDS...

THEN...

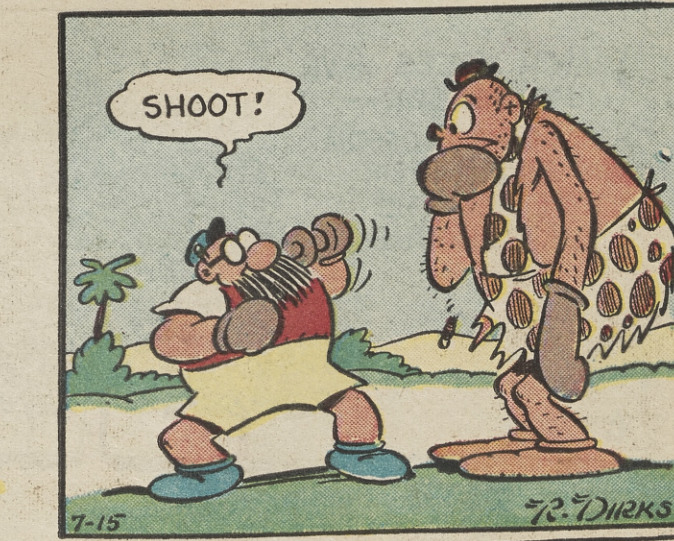

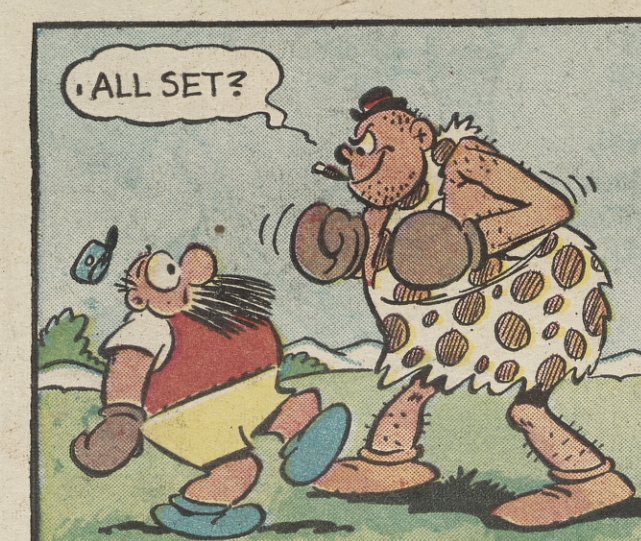

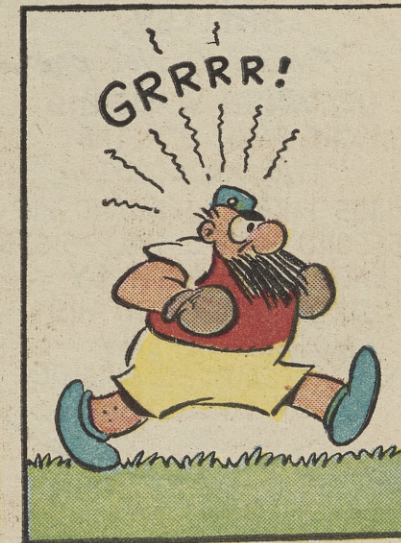

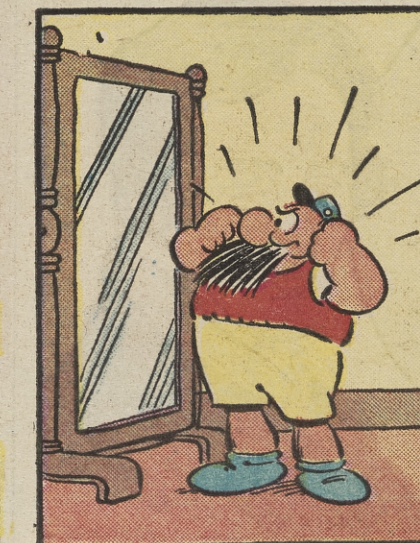

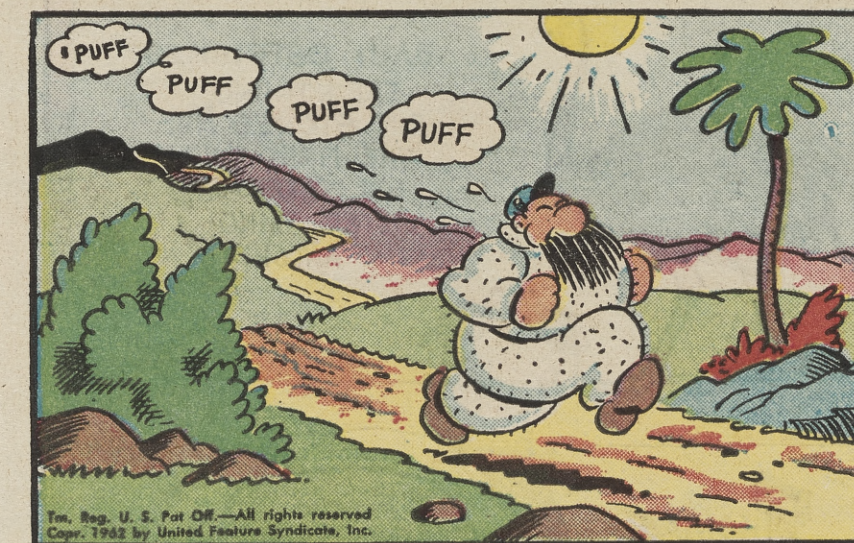

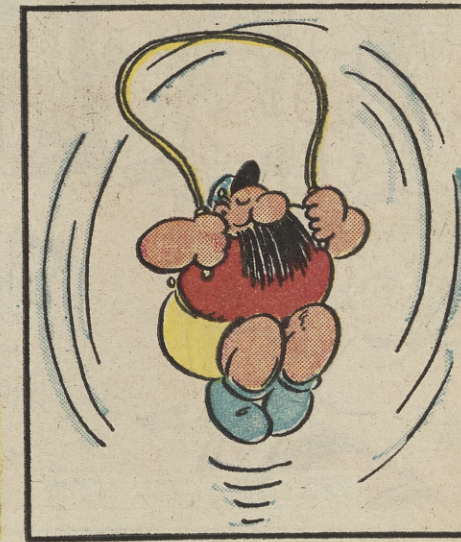

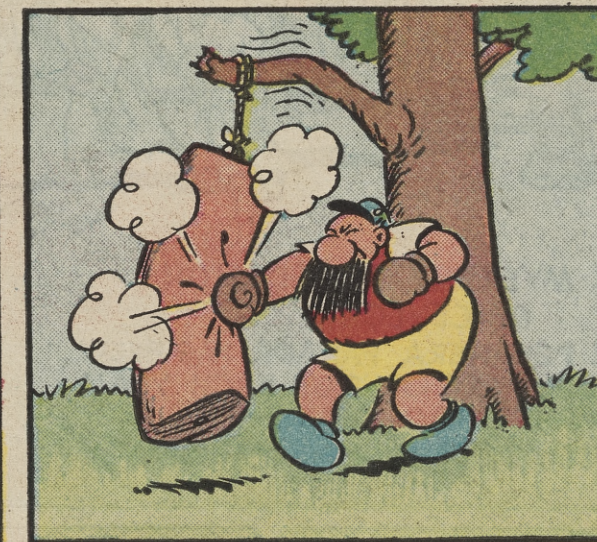

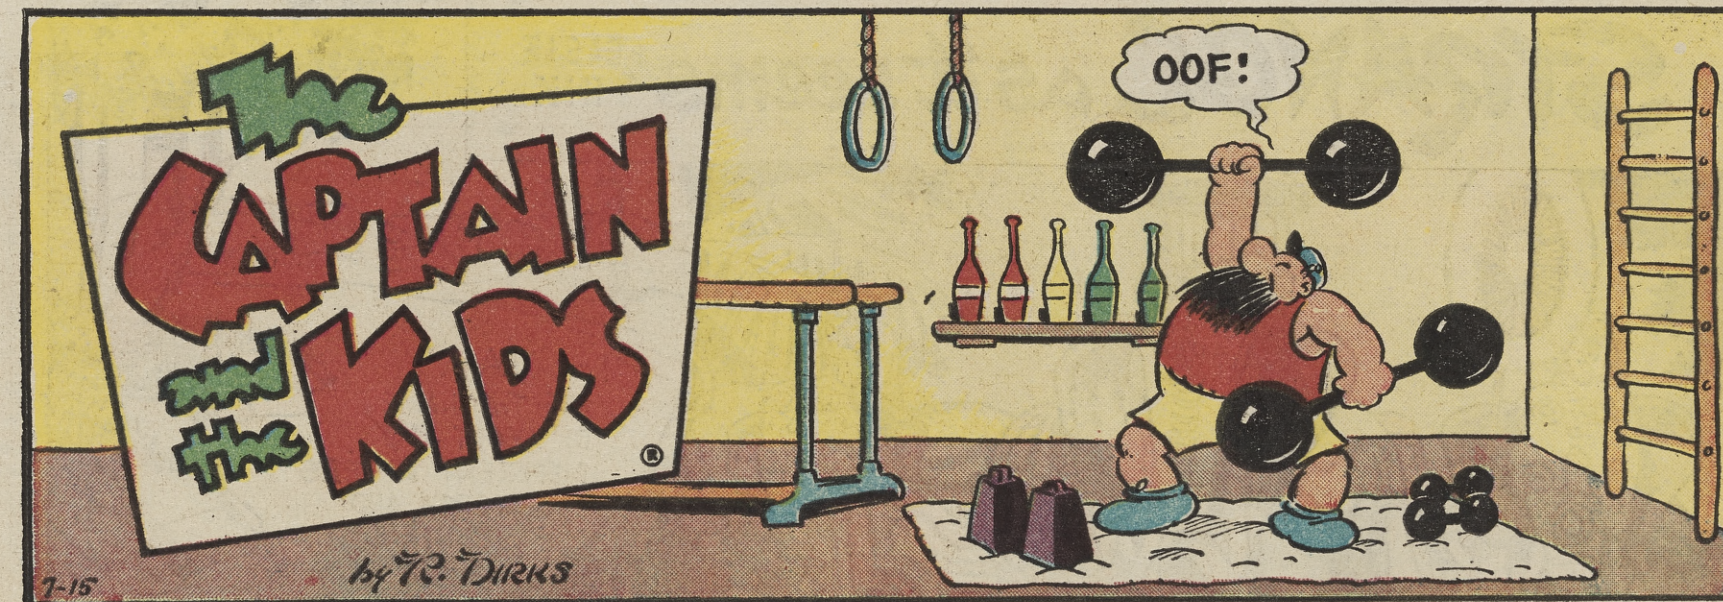

...NOW THAT I'VE KILLED THIS PREDATOR—I'M GOING TO SETTLE WITH A COUPLE OF SCAVENGERS!...
